

The Commercial Vehicle Group (CVGI) is a global leader in commercial vehicle system solutions for the heavy-duty truck, construction, agricultural, industrial, marine, and specialty industries. We take pride in building products the same way that we've built our company – with commitment, strength and focused direction.

We're successful because we are committed to continuous improvement. We aren't afraid to take chances with modern processes that may improve the tried and true. We are immersed in technology in every market we serve. We're growing, penetrating emerging markets, and constantly in pursuit of innovation that will improve, shape, and define the future of the global commercial vehicle industry.

With locations across the United States as well as internationally our career prospects offer exciting growth opportunities. Please visit our website at www.cvgrp.com for more information about the company.

We are currently seeking an experienced **Gerber Production Supervisor** at our facility in Tellico Plains, Tennessee to assist us in furthering our growth through improvement and innovation.

As the Gerber Production Supervisor, the incumbent will:

- Ensures cutting operations are running smoothly.
- Maximizes cutter efficiency by ensuring cutters are running properly and quickly reacts and addresses cutter downtime issues.
- Repairs sewing machines as necessary.
- Ensures associates follow safety guidelines and procedures.
- Ensures the work area produces product that meets customer expectations including quality, quantity, and on time.
- Ability to establish a team work oriented atmosphere among co-workers.
- Supports the quality & environmental systems.
- Displays planning skills; including the implementation.
- Examines methods presently in place and targets improvements.
- Assists in the formation/updating of training programs for employees.
- Day to day employee relations and human resources administration.

Requirements:

- Bachelor's degree in business or at least three years of similar experience.
- Must have experience working on Gerber cutters.
- Must have experience working on sewing machines.
- Must have excellent problem solving skills.
- Ability to handle pressure situations effectively.
- Excellent organizational skills.

- Must be flexible to work 1st shift, 2nd shift, or a split shift as needed.
- Excellent written, verbal and interpersonal communication skills at all levels in the organization.
- Fluent with MS Office.
- Desire to be part of a growth business and operate in an ever-changing environment.
- Manufacturing experience in the heavy truck or automotive industries a plus.
- Able to work flexible schedule as dictated by business needs.

There is no sponsorship offered for this position at this time.

Our eligible associates enjoy competitive wages and benefit package including comprehensive medical, dental, vision, 401(k) plan, company paid life insurance, paid holiday and vacation time off.
